

OM-OFH-221

Online & WFH Promotion Style

Features

- Lightweight: less than 20kg, easily picked up by an adult, reduce the freight.
- Easy installation: elaborate design of the frame and easy to use the tools and screws, can install a complete set of products in 20 minutes.
- Wide adaptation: table frame telescopic design, convenient for storage, so that the terminal choice is wider.
- Wire management: convenient and more tidy design for frame.
